TRIENNIAL INTERNATIONAL CONFERENCE

NOV 17 – 19, 2023

Connecting Local Communities & Service Initiatives Through Global Networking

The **LET US DREAM (LUD) Conference** is an annual conference built with a purpose of providing a forum to foster **Networking** and **Community-Improvement Collaboration**.

The LUD is attended and organised by **Professionals, Scholars, Industry Experts, Researchers, and Post-Secondary Students** to learn, share experiences, activities, aha- moments & applaud the achievements of fellow thought leaders in their respective efforts to foster community improvement.

This year's international conference will provide a transnational forum for global networking and collaboration.

We are thrilled to invite **YOU** to be a volunteering change maker, and build this conference with fellow thought leaders.
