

Let Us Dream

EMPOWERING COMMUNITIES

ANNUAL CONFERENCE

Louisiana Tech University

Science & Technology Education Center

305 Wisteria St, Ruston, LA 71272

Theme: **Community Interventions & Improvements**

An International Platform for Empowering Youth

TIME: 1:00 PM TO 5:00 PM

COST: FREE (Limited seats)

The Let Us Dream annual conference established to empower people of all ages who work/volunteer in diverse community improvement programs with the dream of a better tomorrow. This year's conference theme, **Community Interventions and Improvements**, will analytically evaluate how small community interventions may create bigger improvements in the community and in the country.
